

GOT A SUMMER SIZZLER?

HERE ARE SIGNS YOUR NEXT STOP SHOULD BE AMWELL

Food Poisoning

- Vomiting lasts longer than one day
- You have signs of severe dehydration — little or no urine, sunken eyes, no tears, and a dry mouth

★ Greetings from ★
**FOOD
POISONING**
— CAFE —

★ Entering ★
TICK BITE
— National Forest —

Tick Bites

- A rash begins to develop near the bite site
- You start to develop flu-like symptoms

Sunburns

- You're experiencing a high fever, headache, severe pain, nausea or chills
- Sunburn is severe — with blisters — and covers a large portion of your body

★ Greetings from ★
BLISTERED
— Beach —

ENJOY YOUR STAY AT THE
UTI MOTEL

UTIs

- Symptoms do not clear up in 1 to 2 days
- Blood or discharge appears in your urine

TALK TO A DOCTOR ANY TIME, FROM ANYWHERE THE SUMMER TAKES YOU.
